WORK & LEADERSHIP EXPERIENCE

WithumSmith+Brown, PC

Princeton, NJ

Upcoming Audit/Tax Intern

Jan 2027-May 2027

WithumSmith+Brown, PC

Princeton, NJ

Administrative Intern

Jan 2026-May 2026

- Managed large volumes of tax documents for 100+ clients, scanning, labeling, and storing materials in organized digital filing systems that improved accuracy and made it easier for tax teams to retrieve information during peak season
- Created online tax binders and initiated multi-step verification processes, improving workflow consistency across teams
- Took initiative in daily office operations by coordinating document flow, and scanning and mailing documents for employees, including frequent IRS correspondence about clients, helping tax teams stay efficient throughout the day

Schindler Elevator Corporation

Morristown, NJ

Controller Finance Intern

Jun 2025-Jan 2026

- Extracted and reorganized SAP data into structured Excel formats to streamline monthly close cycles and support creation of detailed 300-slide decks from three businesses including financial information for CFO final review
- Developed forecasting models in Excel by synthesizing 3PL data and Power BI dashboards to visualize financial trends
- Investigated 50+ financial discrepancies in high-value financial figures across SAP and Power BI by auditing and optimizing Excel logic, ensuring accurate audit-ready reporting for monthly close and senior leadership review
- Collaborated with finance team to build a book including 30+ centralized documentation workflows for recurring financial reports, enhancing consistency and team-wide efficiency during a global ERP system transition

Goldman Sachs - Women's Possibilities Summit & Virtual Insight Series

Remote

Program Participant

Jan 2025-Dec 2025

- Networked in exclusive sessions to connect with industry leaders and peers in three financial services
- Engaged in weekly workshops focused on professional development and leadership for women in financial business
- Completed monthly structured learning modules covering financial concepts and trends, and Goldman Sachs' initiatives
